

OFF-GRID BY UNIQUE

8 CU. FT. PROPANE REFRIGERATOR

The new improved Unique 8 has something that consumers have been asking for years – a much larger freezer. Our latest model has increased the freezer size from 1.1 cu/ft to 1.7 cu/ft, the largest in its class! The new Unique 8 is also quite a bit taller than our old version (not as deep), making it easier to access food and drink. All our Unique 8 versions come with dual power (LP gas/110 volt backup).

FEATURES

- Battery operated interior light
- Battery operated ignition
- Dual power (Primary propane - 110V backup)
- Front mounted controls with cover
- Reversible doors
- Adjustable glass shelves
- One large crisper drawer
- Thermostat
- Flame Indicator
- Alarming device with safety shut-off
